

Who We Serve

We are a charitable organization that provides families in need at Christmas, with food hampers, gift cards, toys and pj's for children up to 12 years. Teens receive gift cards, toiletries and pj's. All family intakes are completed through Beaumont FCSS (Family and Community Support Services) All hampers are delivered by volunteer City of Beaumont and County of Leduc Firefighters.

Each year we provide support for many families in our area. Some years the needs are greater than others.

How We Do This

We stay involved with fundraisers and community activities as much as possible thru the year and accept Sponsorship or monetary donations at any time through our website or by contacting us. We contact our community thru social media, our website and the local newspaper. Any excess food items collected are given to the Leduc and District Food Bank.

Our seasonal Campaign kicks off in middle of November and ends with delivery Approximately 1 week before Christmas. Toy and Food donation boxes are set up at the schools and local business throughout Beaumont and Nisku, and Trees for Teens will appear in various locations as well. Many volunteers are required to help pick up and sort donations and to pack the hampers. We are fortunate to have many dedicated and extraordinary people who graciously donate their time and energy to achieve this, but as the saying goes "Many hands make light work". New volunteers are always welcome.
